How it all Started

MatsiMela Home Spa: Returning to Our Roots

MatsiMela Home Spa is a proudly South African brand, founded in 2003 by Wayne and Olivia Nel. Inspired by our connection to nature, our home-grown business was built on a 45-acre property in Gauteng, surrounded by indigenous wildlife and rivers. This deep connection to our natural environment fuels our passion for creating products that reflect the beauty of our land and its resources.

The name “MatsiMela,” meaning “roots” in Sotho, signifies our commitment to returning to our roots and celebrating African heritage through our products. At MatsiMela, we strive to empower men and women, offering opportunities for personal growth while nurturing a sense of self-sustainability within our team. Our philosophy centers around developing a unique and evolving product range using the finest natural ingredients. We source these raw materials from Southern African-based companies that support local farms, ensuring that our products contribute to the growth of communities throughout Africa. We proudly use Ubuntu oils and other extracts from over 30 African farmers and islands, making every product we create truly African at heart.

Sustainability and environmental care are core to our ethos. MatsiMela products are crafted from plant-derived ingredients, free from harsh chemicals, parabens, and preservatives. We are dedicated to cruelty-free practices, ensuring that none of our products are tested on animals. Our packaging is eco-friendly, and we encourage our customers to participate in our recycling initiative by reusing or recycling all packaging.

MatsiMela's footprint extends across South Africa, with our products available in over 350 spas and hotels nationwide. Our reach also includes export clients within the SADEC region. We take pride in our manufacturing facility, based in Kya Sands, which is ISO:2015 accredited and adheres to GMP (Good Manufacturing Practices). Every product is produced in-house, ensuring strict quality control and transparency in everything we offer.

Our product range reflects our belief in self-care and wellness. Whether it's a spoil for yourself or a gift for someone special, MatsiMela offers an exceptional experience, from our SPA stockists to our online store. Discover our latest limited-edition PAUSE range, designed to help you take a moment for yourself, embrace relaxation, and find inner peace amidst life's demands.
